# BIOCEPTION 2022

ORGANISED BY DEPT. OF BIOTECHNOLOGY IN ASSOCIATION WITH  
RESEARCH DEVELOPMENT CELL, PG FORUM, AND IQAC

Dear all,

The Department of Biotechnology, St. Peter's College, Kolenchery is very happy to invite the final year MSc Biotechnology students of the academic year 2021-22 for the intercollegiate Project Presentation Competition, "BIOCEPTION 2022" on 12th October 2022, 10 AM, at the Golden Jubilee Hall of the College. The primary goal of the program is to motivate post-graduate students to showcase their research aptitude and to get feedback from peers and experts. Certificates of merit and monetary awards will be given to the winners. All the applicants will be provided an e-certificate of participation. We earnestly solicit your active participation in the program.

## RULES & REGULATIONS

- Only the P.G. Projects of the M.Sc Biotechnology program of the academic year 2021-22, of any university/affiliated/autonomous college in India, (Aided/Self-financed) are eligible for participation in the contest. Projects from the previous years or any institutions outside India are not eligible.
- Participants should fill in the Google form on or before 8th October 2022 to complete the process of registration.
- Each applicant should pay a registration fee of Rs. 100/-. The amount should be paid via Gpay.
- The winner receives a cash reward of ₹ 3000/-, while the first and second runners-up will receive ₹ 1500/- and ₹ 500/-, respectively, along with a Certificate of Merit.
- All the projects will not automatically become eligible for presentation in the contest. There will be an initial screening by an expert panel to shortlist the 10 best projects for the final contest.
- The selected contestants will be invited to make a formal presentation of 7 minutes and a discussion of 3 minutes in the College.
- The projects will be evaluated by the two eminent academicians and the results will be declared in the function.
- The decisions of the judging committee shall be final and binding to all the contestants.

The program was conducted in the E-learning room of the college. It started at 10 am with an invocation to the Almighty.

**Prayer by students**

Dr. Sona S Dev, Head of the Department, delivered the welcome address and introduced the judges, Dr. Anu Yamuna Joseph, Managing Director of Primordia Lifesciences and Dr. Sareen Sarah John, Head of the Department of Biosciences, UC College, Aluva.

**Welcome Address by Dr. Sona S Dev**

This was followed by the Presidential address by the Principal of the college, Dr. Shaju Varghese, and felicitation by Dr. K. P Jose, HoD and Coordinator of Research Development Cell of the college.

**Presidential address by the Principal**

**Felicitation by Dr. K. P Jose**

The presentations began after the felicitation and each participant was allowed to present for 7 minutes followed by an interactive session of 3 minutes with the judges.

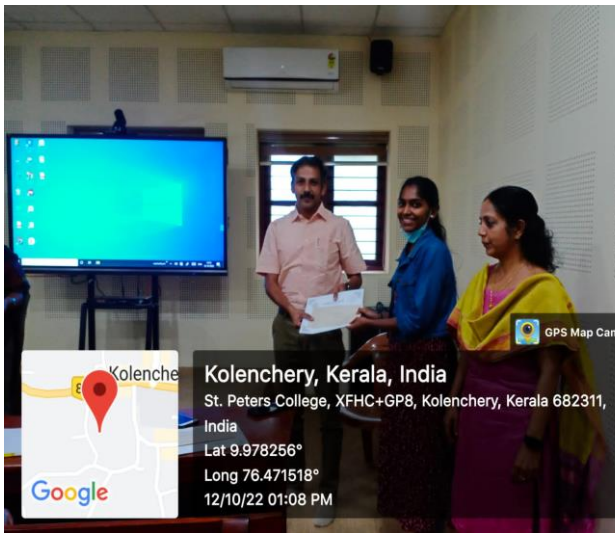

**Start of Session – Presentation by Students**

The event was concluded by the announcement of the winners by the judges. The winner of the event was Ms. Anagha Sunilkumar of MES College, Marampally. Krishnasree R.S of Government Arts College Trivandrum and Devika P.R of Indira Gandhi College Nellikuzhi were adjudged the first runner-up and second runner-up respectively. The Principal of the college handed over the cash prize of Rs.3000, Rs. 1500, and Rs.500 to the winner, first runner up and second runner up respectively.

**First prize winner receiving the certificate and cash prize**

**First runner-up receiving the certificate and cash prize**

**Second runner-up receiving the certificate and cash prize**

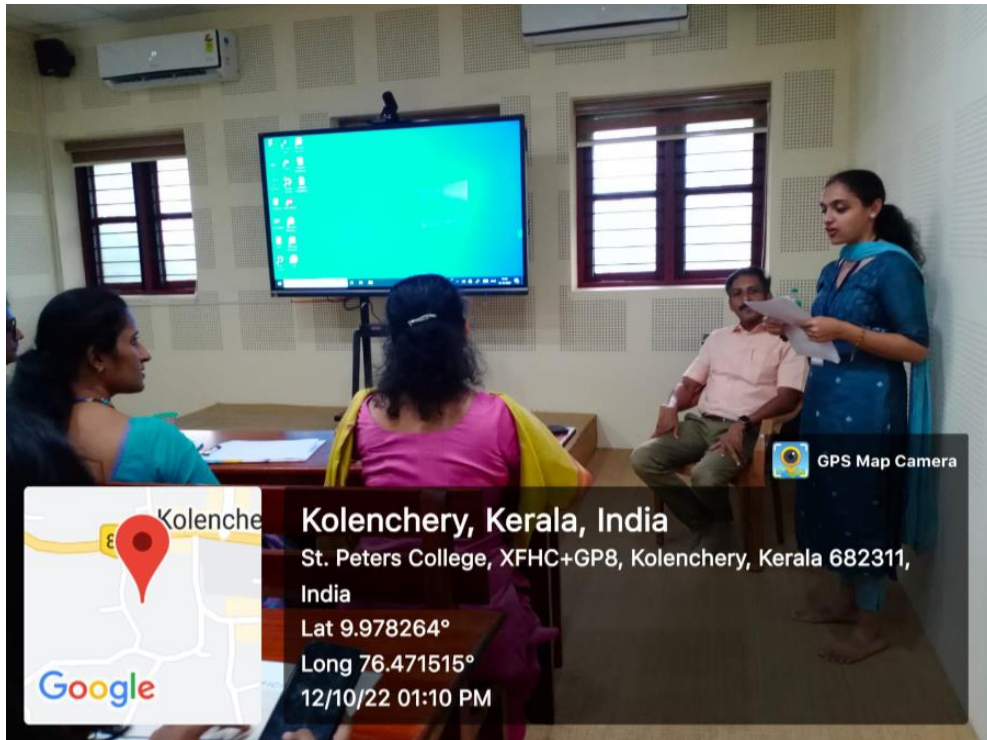

One of the judges, Dr. Anu Yamuna Joseph gave her feedback to the participants, and this was beneficial to them for improving their research aptitude and presentation skills.

## Feedback by Judges

The workshop was beneficial to students in the life sciences stream, motivating them to showcase their research aptitude and to get feedback from peers and experts. This was for the first time in the history of the college, such an intercollegiate project presentation competition for MSc Biotechnology students was conducted. It helped our students to interact with the participants and enlightened them about the ongoing research works in the field of Biotechnology in various research labs in Kerala.

The workshop ended with a vote of thanks by Ms. Anitta David, the student coordinator of the program. The technical support and comparing was done by Mr. Rohit Jacob who was also another student coordinator of the program.

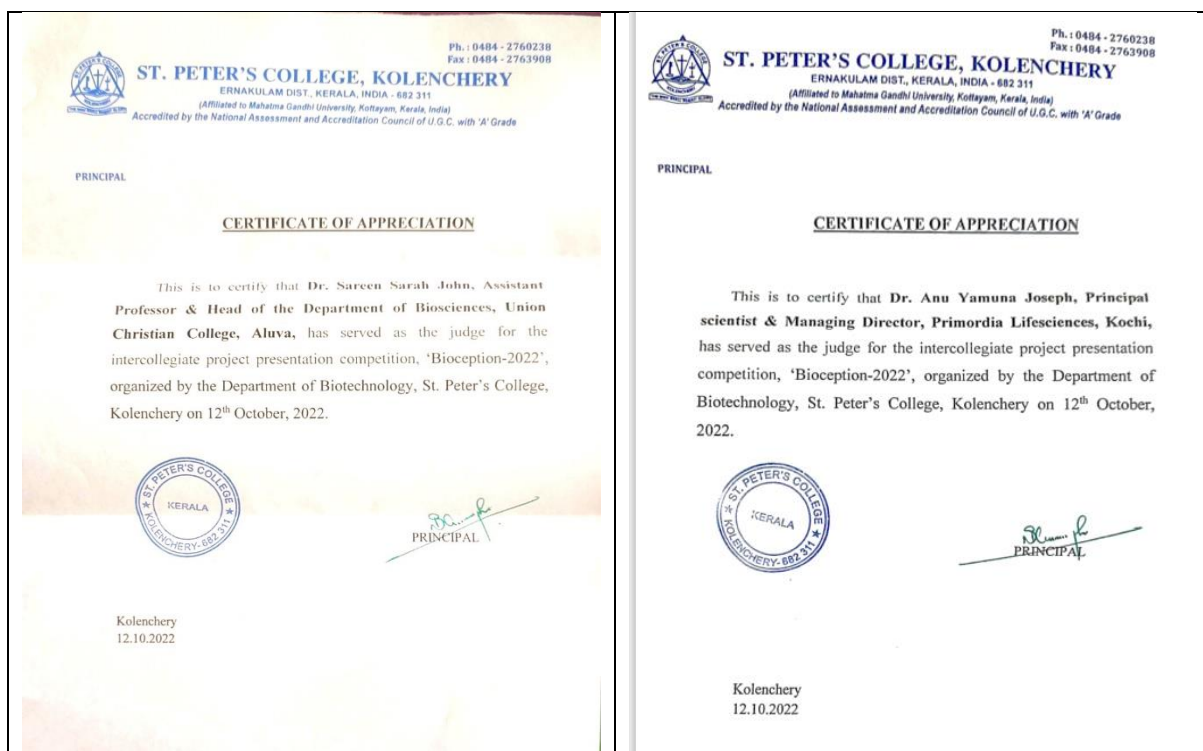

**Certificates were given to the first, second, and third prize winners**

## E-certificates of participation were issued to the remaining participants

## Certificate of Appreciation were issued to the Judges

## Attendance sheet of the participants
